Listing details
Profile
Title: Dr Hlati
About: Dr Hlati is a traditional health practitioner who graduated in 1982. After 35 years of service to the African traditional health, Dr S.M Hlati is now firmly established as a pioneer of sustainable trends & practices in the sector and sort after thought-leader of Indigenous Knowledge Systems.

History
History: Dr Sylvester Mkwambani Hlati was born in the year 1951, and currently resides in Polokwane. The year 2017 marks the 35th anniversary of dedicated and selfless service to the traditional health practice.

Between the years 2001-2002 he was a board member at Malamulele Hospital, in the year 2003 – 2004 he travelled to Central Africa and Europe to conduct researches on
traditional medicines. In the year 2007 and 2008 he represented the Limpopo Traditional Health Practitioners during meetings with the country’s President Mr Jacob Zuma at Bolivia Lodge.
